

Lovers and Strangers

Time goes by so fast

Creating past after past

Joyful moments

Saddened moments

Never to last

Yet, we are still the same

Lovers and strangers

Sharing love, living apart

Unable to share the day

Or live the past

Two innocent children

Beautiful twinkling eyes

Growing hearts

Wondering minds

Souls searching for eternity

Where love knows no bounds

A little inspiring story

Like history itself

It laughs, agonizes and smiles

A sea of hope and cries

A monument of sights and lights

I like to share a glass of wine
Under stars that wink and shine
Secrets that excite the eye
Passions that cannot lie
Dreams that never die

The time is now
Because now is the only fact of life
The future may never come
Why?
Is a question of why should we wait
Until now is gone
And time has finally come
To kiss and say goodbye

Days are migrant birdies
They build nests everywhere
Have no home anywhere
They sing, dance and then fly
Leaving behind broken hearts
Saddened souls and eyes
Unable to sigh or cry
