

Lovers and Strangers

Time goes by so fast
Creating past after past
Joyful moments
Saddened moments
Never to last

Yet, we are still the same
Lovers and strangers
Sharing love, living apart
Unable to share the day
Dream of a better future
Or live the past

Two innocent children
Beautiful twinkling eyes
Passionate hearts
Wonderful minds
Souls searching for eternity
Where love knows no bounds

A little inspiring story
Like most historical records
It challenges your mind
But forgets to make you wise
A sea of tears and cries
A monument of sights and lights

Let us share a glass of wine

Under stars that wink and shine
Secrets that excite the eye
Feelings that cannot lie
Dreams that never die

The time, darling is now
And now is the only fact of life
The future may never come
So why should we wait
Until now is gone
And time has finally come
To kiss us for the last time
And says goodbye

Darling, days are migrant birdies
They build nests everywhere
An have no home anywhere
They sing, dance and then fly
Leaving behind broken hearts
Saddened souls and eyes
Unable to sigh or cry
